| Materials (choose all that apply):  | Wood                                | Vinyl Fencing                 | Brick or other solid wall  |
|   | Othe                                | r:                            |  |
| Proposed Distance from Nearest Property Line                              |                                     | Is there a fence on your Lot? |  |
| Proposed Color:   | Does the screen have a 'top' cover? |                               |  |
| Summary Description:  |                                     |                               |  |
|   |                                     |                               |  |

ALL SUBMITTALS must include a copy of a Site Plan (Lot Survey), being an 'overhead view' of your Property with the location of all existing and proposed improvements marked. Existing fencing on your Property, OR ON ADJACENT LOT(s) must be marked with "o"s. ALL SUBMITTALS must also include Elevation Plan, being drawings or pictures showing what the proposed Improvements will look like when viewed from the side. On corner lots, screens may not be erected across platted side yard setback line, frequently marked "B/L" on plat/survey.

## **Required Documents:**

**SITE PLAN** (Lot Survey) showing overhead view of entire Lot and all existing and proposed Improvements

**ELEVATION PLAN** (Pictures/Drawings) showing appearance of proposed Improvements when viewed from the side

Application and supporting documents should be uploaded to Omni's Frontsteps Community App, or (i) mailed to Omni Community Association Managers, Attn: Design Review Board, P.O. Box 395, Grove City, OH 43123, or (ii) emailed to <a href="mailed-to-drb@omnihoa.com">drb@omnihoa.com</a>. \*\*Processing does not begin until a complete application is submitted, including payment of the processing fee\*\*
